

Social Media Aspect

Put out a poll on how people are feeling about the dorm they are living in.

Dylan L

Campus Facilities and Funds

More funding for clubs that are not as big as the known clubs.

Dylan L

Residence Hall Events

Have a get together in the residence hall that is mandatory to get people out there room, this will include (snacks, games, ice breakers and prizes)

Dylan L

School

There should be a tutoring center for every main subject

Dylan L

Food

Add a local/retail store where college students can buy basic necessities

Dylan L

Convenience

Make a place inside buildings to drop off cardboard

Dylan L

An area for anonymous people to send reviews in on how they are feeling about campus.

Dylan L

Make more scholarships accessible for more students

Dylan L

Have competition between residence hall to intertwine the living communities even more.

Dylan L

There should be a place for studying outside surrounded by scenery.

Dylan L

Improve the healthiness of at least one of the dining halls so students don't have to cram into fresh greenes to get a healthy meal.

Dylan L

Have all elevators functioning at all time.

Dylan L

Make a social media platform for all the events going on that mainly caters for freshmen.

Dylan L

Extended the time of the wellness/health center for people who get sick who can not get to any other service besides the one on campus.

Dylan L

Every month have lunch outside of residence halls because it is good to have a good break from dining halls.

Dylan L

Make dining halls close later

Dylan L

Have an app that can group all the improvements that I just listed, this ensures that everything can be in one place.

Dylan L

Give out free T-shirts that have the residence hall on the t-shirt.

Dylan L

Have more options for food

Dylan L

Reducing wait times for food, both for dining halls and retail places.

Dylan L

For holidays, there should be an event for people who can't go back home like Thanksgiving food
